HISTORY/FACTS/ISSUES:

This is a continuation of the acceptance of dedicated roadways, constructed through the development process, subsequent to a two year warranty period. The acceptance of Units 134, 143, 171, and Buena Vista Boulevard (Phase 4) will increase Sumter County's current roadway infrastructure by 5.654 miles. Attached is a spreadsheet tabulating the length and right of way width, as well as a map indicating the location of the units and roadway segments recommended for acceptance. A portion of this road acceptance package will fall under The Villages CDD Road Maintenance Contract.
